

31st Scout Group Parade Seats 2019 Last Minute Information

Welcome, and a big Stampede "Yahoo!" to all who plan to view the parade from our 31st Scout Group Parade Seats.

The Calgary Stampede Parade seats are one of our most important event fundraiser activities. (**Located on 9th Ave and 6th Street SW**, (South East corner), (see Parade Route map, at bottom of this document).

<< Friday Morning July 5th, Parade Day >>

Parade Day EVENT Timing:

Things get started with the parade prelude around 7:30am. Soon after, the parade arrives and progresses Clockwise (reversed from the normal 9Ave traffic flow (one way direction East) **thus the Parade will pass by our location, heading West**. Because of this reverse direction, it should arrive our location a little after 9am. **Remember your seat is always available throughout the parade morning (We do not resell seats).**

Viewing the parade:

Our seats provide a raised view from the sidewalk, this avoids street traffic from standing in front of your view. Should you need to stretch your legs as well, kindly make use of the standing areas to the right or left of the seats, and thus avoid blocking the view of other spectators?

Prepare for SUNSHINE:

Even though our seats face North, thus the sun is behind spectators, be prepared with protection from over sun exposure (It never rains on a parade).

Drinking Water and Coffee:

The 31st Scout Group has set up behind our parade seats some water and coffee while it lasts. However be prepared and bring some refreshments and light snacks on your own. Kindly use available trash containers to dispose of your packaging.

Parking:

Should you like to drive down to the event, be aware parking FEEs are in effect and **All Vehicular access to 9 AVE closes promptly at 7:30AM.**

Also be aware of re-access to Vehicular traffic on 9 Ave (after the parade has passed) **is NOT Possible till the parade is finished**. Expect vehicular EXIT delays past the end of parade at our location. This allows flow control of the entire route during the parade. Parking in the SW area beyond 10 Ave and walk in using 5 Ave underpass may work well. Also the LRT is located on 7th Ave and is always in operation, a good option for easy arrival and quick getaway after the parade.

Yours in Scouting,

31st Parade fundraising Committee
